Texas Czech Heritage and Cultural Center to Honor Popular Czech Bands at November 12, 2011

For Immediate Release October 1, 2011

LAGRANGE - The Texas Czech Heritage and Cultural Center invites you to their "2011 Gala" on Saturday, November 12, 2011, for an evening of food, music and dancing honoring Texas Czech Bands of the Past in the Fair Pavilion in LaGrange, Texas.

An exciting evening is planned with special guest, Petr Gandalovic, Ambassador of the Czech Republic to the United States. "We are very pleased and honored to have the newly appointed Czech Ambassador as our guest and we will do our best to show him a Texas welcome", said Honorary Consul General of the Czech Republic for the state of Texas and TCHCC Director, Raymond Snokhous of West,

Lovers of polka, waltz, and country music remember the many Texas Czech Bands that shared their talents and played their particular style of music to appreciative listening and dancing audiences. Dances on Saturday nights in the community wooden halls such as the Fair Pavilion were gathering places for the whole family. Many of these bands have disbanded or retired, however a new generation of musicians is continuing the tradition. Not to forget the bands of the past, this year TCHCC will honor four of those bands. They are the Henry Brosch Orchestra, the

Lee Roy Matocha Orchestra, Johnny Mensik and the Playboys, and the Frank Migl Orchestra.

Music during the evening will be provided by young talented musicians and members of currently popular Czech Bands who have taken up the call to play for the current generation. They are David Slovak, who plays with “Czech and Then Some of Ennis”; Andy Mikula of Ennis and Mike Marek of Cameron. Both play with the “Jodie Mikula Orchestra” also of Ennis.

Underwriters for the 2011 Gala are Joseph Bartosh, Molly and Richard Cernosek, and Raymond and Clarice Marik Snokhous. The gala includes music and dancing, food by Chef Wade of Party Thyme of Columbus, raffles, and silent and live auctions.

Underwriters for the successful Gala last year were Gene Oeding, President of Balcones Minerals and Muldoon Minerals and Mike Kulhanek, President of Mico Machinery.

“Sharing traditions and telling the history to each new generation is a goal of TCHCC”, said Bill Schovajsa, 2011 Gala chairman and TCHCC Board Member. This gala is a very important moment in TCHCC history. It marks the beginning of a three-year funding effort toward establishing a permanent endowment fund for the Center. TCHCC strives to preserve the traditions and artifacts of the early settlers to Texas.

TCHCC is located on Hwy 77 North of La Grange, Texas. The statewide Czech Center campus contains the main TCHCC building with a library, a museum, and a banquet hall, the Texas Czech Music Museum, the TCHCC amphitheater and restored houses and buildings.
